

# Visit the ALA Online School Store

Remember to check out our ALA online school store. It is a great place to shop for school clothes and spirit shirts. Check it out often because we are adding new items regularly. **If your student is in a PE class or fine arts class you must purchase the uniform from this online store.** You can find the school store under the School Information Tab or on the tiles under the News and Announcements or by clicking here [ALA Online School Store.](#)
