

ALA HOPE SQUAD

We have organized a group called the ALA Hope Squad where your peers are there for you.

The Hope Squad is a school sponsored organization made up of ALA students that were chosen by their peers to be a support in bullying, suicide prevention, social interaction, and other emotional needs. These chosen students are exceptional in leadership and a listening ear. Always feel free to approach one of the student when you feel you need some support.

For more information regarding the Hope Squad or to request the Hope Squad's help please contact:

Mrs. June Jensen
