Math	33%	34%	35%	40%	38%
Science	33%	33%	27%	37%	47%

All Data shown is gathered from student performance from the SAGE (Student Assessment of Growth and Excellence) assessment administered at the end of the previous year. Grades 3-12 participate in these assessments every year. The goal at ALA is to improve every year, identify areas of concern, and focus our efforts on those under-performing subjects/programs.
