ALA Parents and Students,

ALA **Intent to Re-Enroll-Yearly Update** for returning students is now open. This form needs to be completed to ensure your student's **priority** status at ALA for the upcoming school year.

This year, you will only need to complete the **Intent to Re-Enroll-Yearly Update**. Class Requests will be done by our school counselors.

Since we are on a new system, Infinite Campus, we are asking you to review all of your student(s)'s information and update, correct, or add information. Thank you for taking the time to do this!

To begin this process, you must be able to access your Infinite Campus Parent Account.
